- ▶ 5-YEAR WARRANTY

The new CipherLab 1500 scanner raises the standard for performance, style, and affordability. An incredibly comfortable design and innovative three-way stand make it easy to use all day long. A large LED and adjustable tone ensure instant scan recognition, speeding workflow. No moving parts and CipherLab's reputation for reliability mean ultra-low maintenance, giving you remarkably low total cost of ownership. And a five-year warranty guarantees years of worry-free service. The CipherLab 1500 delivers where reliability, durability, comfort, speed, safety, and value matter.

Reliable, affordable scanners are critical to company efficiency, whether it's retail, manufacturing, enterprise, or healthcare. You can depend on fast, rugged, and affordable CipherLab 1500 scanners to accelerate productivity and maximize profitability.

Wherever handheld scanners are used—on the shop floor, at the checkout counter, in the manufacturing line, or in the documentation center—they must be comfortable and safe for the user, stand up to tough environments, be cost-effective to operate, and deliver undeniably accurate scans all day long.

CipherLab designs and manufactures the industry's top handheld scanners that provide outstanding, long-lasting service for workers, and deliver a high return on investment (ROI). Reliability, user comfort, rugged construction, and low power consumption (170 mA to 250 mA) make CipherLab scanners the ideal choice for long-lasting value in any industry.

ScanMaster—custom configure your scanner

ScanMaster software provides a comprehensive tool set to configure your scanner, edit format and symbol types, plus much more. ScanMaster is included at no extra cost with 1500 CipherLab value scanners.

Auto-sense, 3-in-1 stand

Smart new three-way scanner stand makes great sense. Easy, adjustable, and good-looking, the stand works on the wall, on the desktop, or elevated for auto-sense scanning in the workplace.
